

Quality Workmanship, Expert Service

### COVID-19

The unprecedented events of the COVID-19 pandemic affect everyone. At Mister transmission we are committed to the health and safety of our staff, partners and clients.

We are taking every precaution we can under the advice of Alberta Health Services, Health Canada and all levels of government.

At this time, we have made the decision to remain open with extreme caution taken throughout our facility. Our staff will still be able to support you by phone and email first and arrange a time to come in if need be. General inquiries can be asked through our contact form on this website, or directly at [mrtrans@shaw.ca](mailto:mrtrans@shaw.ca).

Our hours of operation are:

Monday – Friday 8:00 am – 5:00 pm

Saturday – Sunday closed

Limited in person appointments can be arranged during weekdays on an individual basis by contacting us at: 403-287-1547

Prior to any appointments being scheduled we ask that you consider the following:

- 1) Have you travelled in the last 14 days, or been in contact with someone who has travelled in the last 14 days?
- 2) Do you have high fever or flu like symptoms, including dry cough and shortness of breath?
- 3) Have you come into contact with someone who has tested positive, or is being tested for COVID-19?

If you answer yes to any of the above questions we will be unable to schedule an appointment until after the required 14 day self-isolation period. We appreciate your assistance in helping to keep our communities safe and healthy and we look forward to assisting you in person as soon as we are able.

-The Mister Transmission and Change Auto & Diesel Team.
